

SALA  
SAMUI  
CHAWENG BEACH

# THE COCONUT TOUR

Nicknamed “Coconut Island”, Koh Samui has more varieties of coconut palm than anywhere else in the world! These versatile trees have served the islanders for centuries, providing a source of food, shelter, refreshment, art and more. SALA Samui Chaweng Beach now invites guests to step off the beaten track and discover the secrets of Samui’s coconut groves. Guided by our expert “SALA Seeker”, the Coconut Tour will take guests on an in-depth exploration of the local area, revealing how this humble plant has helped to shape an entire island community.
