Our Philosophy

At SALA Spa, we embrace a philosophy deeply rooted in the belief that true wellness extends beyond mere relaxation—it is a transformative journey that nourishes the soul and revitalizes the entire being. Our approach transcends traditional spa experiences, aiming to cultivate healing from within, radiating outwards to leave our guests feeling utterly renewed.

We understand that each individual is unique, with their own set of needs and aspirations. Therefore, our commitment to holistic wellness is centered on tailoring personalized experiences that address the mind, body, and spirit in unison.

Through a harmonious blend of ancient healing practices, modern techniques, and genuine care, we strive to guide our guests towards achieving a state of balance and harmony.

At SALA Spa, all treatments are imbued with intention and purpose, aimed at nurturing not only the physical body but also the emotional and spiritual dimensions of well-being. Our therapists are not merely practitioners but compassionate guides on your journey to self-discovery and renewal.

An Oasis for Relaxation & Retreat

Embraced by lush, verdant gardens, SALA Choengmon Spa offers a sanctuary of indulgence with a range of massage therapies and beauty treatments. The spa boasts four treatment rooms and an open-air massage sala nestled serenely by a tranquil lotus pond. Experience the essence of Thai wellness within this tranquil oasis.

MASSAGE THERAPY

SALA Signature

60 or 90 Minutes

SALA's signature massage is a truly sublime spa experience. The technique combines four different styles of massage: Hawaiian, Lomi Lomi, Swedish and Balinese. Performed using a specially-blended massage oil, the healing hands of our therapist will help to calm the nervous system, warm and relax muscle tissue and promote the growth of healthy, new skin cells, ultimately resulting in complete relaxation and improved suppleness.

Hot Stone Therapy

90 Minutes

Therapeutic and relaxing, this treatment alleviates stiffness and soreness while restoring energy and balance. Smooth, warmed stones glide across the body in long, flowing strokes, relaxing the muscles and easing the emotions. Simultaneously, other hot stones target the body's energy points to melt away lingering tension.

Peace & Calm

60 or 90 Minutes

A gentle, relaxing massage in which our therapists apply long smooth strokes and use their thumbs to target the body's pressure points. The natural healing powers of the essential oils absorb into the body, releasing their aromas and enhancing both physical and mental wellbeing. A blissful full-body experience.

Stress Release

60 or 90 Minutes

This highly focused massage uses oil to target the back, neck and shoulders, helping to relieve tension and improve circulation. It can also help to alleviate stress-related conditions such as headaches or neck pain, which are common among office workers.

MASSAGE THERAPY

Senses Of Siam

60 or 90 Minutes

Developed centuries ago, this firm, oil-free massage is the ultimate body workout. Thai massage is a masterful fusion of ancient Indian Ayurvedic stretching techniques, which release tension, realign the body and restore suppleness, and the Chinese deep tissue pressure point massage, which stimulates blood flow and releases toxins.

Mother Pampering

60 or 90 Minutes

Designed specifically for mothers-to-be, this massage promotes relaxation, increases circulation and provides comfort during this wondrous time of change. The treatment helps to relieve tension and alleviates swelling in the hands or feet. Your comfort and safety are assured with supportive pillows and sweet almond oil.

Relieve Foot

60 or 90 Minutes

This dynamic foot treatment is based on the principles of reflexology, which links areas of the feet to organs and systems in the body. Pressure is applied to specific parts of the feet using thumbs, fingers and palms, which helps to relieve pain, illness and stress. This massage can also help to ease tension headaches and improve circulation.

Indian Head

60 Minutes

Experience a wonderful sensation that will nourish your hair and scalp. Warm coconut oil is drizzled onto the head and massaged in gently, focusing on the important pressure points to awaken the senses. This energizing massage and conditioning treatment is a perfect choice for sensory revitalization and healthy hair.
